

SCHOOL OWNERS & ADMINISTRATORS, **THIS IS FOR YOU!**

Education does not begin from Primary 1.

It begins from the foundation —

PRE-NURSERY & NURSERY.

If you want your pupils to become confident readers, writers and learners in the future, then you must give serious attention to what they are taught right from Nursery.

**DN'T NEGLECT
THE NURSERY
FOUNDATION!**

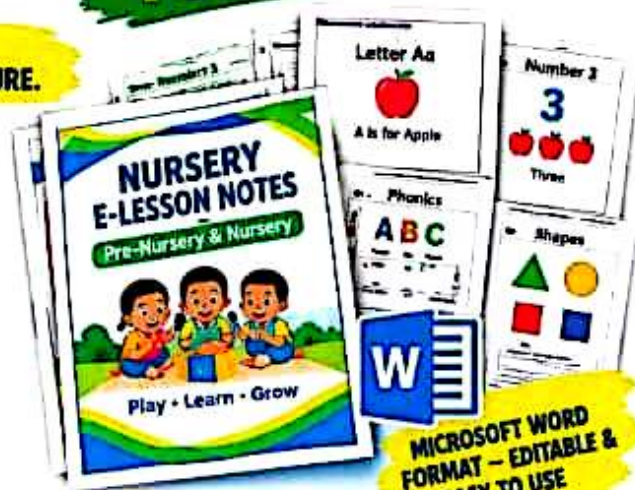

DON'T RUN YOUR NURSERY CLASSES WITHOUT PROPER LESSON PLANS AND STRUCTURE.

Your Nursery teachers need more than just activities and weekly assessments. They need well-prepared, structured and curriculum-aligned E-Lesson Notes that guide them on what to teach, how to teach it and what the children should learn at each stage.

OUR NURSERY E-LESSON NOTES COVER THE IMPORTANT FOUNDATION AREAS, INCLUDING:

- ✓ Letter Recognition
- ✓ Phonics & Sound Recognition
- ✓ Reading Readiness
- ✓ Writing & Pencil Control
- ✓ Number Recognition & Basic Numeracy
- ✓ Communication & Vocabulary
- ✓ Listening & Comprehension
- ✓ Social & Personal Development
- ✓ Age-appropriate learning activities
- ✓ Structured teaching and learning objectives

**MICROSOFT WORD
FORMAT — EDITABLE &
EASY TO USE**

WHY USE PREPARED NURSERY E-LESSON NOTES?

- ✓ Saves teachers valuable preparation time
- ✓ Gives teachers a clear teaching direction
- ✓ Promotes structured and continuous learning
- ✓ Helps teachers cover the required learning areas systematically
- ✓ Supports effective classroom delivery
- ✓ Helps schools maintain a standard academic structure
- ✓ Prepared to align with the current curriculum

IMPORTANT:

Don't wait until Primary 1 before asking:

- ✗ Why can't this child read?
- ✗ Why can't the child write properly?
- ✗ Why doesn't the child recognize letters?
- ✗ Why is the child's foundation weak?
